Bank balances have remained the same since since there has been no activity at the school. The gaming grant funds will be rolled forward for next year. There is unused room in our budget for athletic equipment.

**V. New/Other Business**

Leslie Hamblin-Cobb is still working on assisting with the Terry Fox run in commemoration of her husband— Riondel seniors are keen to get involved. There are plans for a virtual run for the fall. Leslie is waiting to get more information and will report when there is more info.

Leslie also is interested in assisting with creating some filmmaking for kids in the community in partnership with the Riondel seniors centre and their new AV equipment.

She is also going to inquire with the Creston pool to see if there is a possibility of having outdoor swim lessons in Riondel like last year.

Shout out to all the staff at CBESS for all their hard work and perseverance through this challenging time. PAC and all parents are very grateful!
